

WE Kids Wednesday Bible Project & **SUBMERGE**

2025-26 Overview & Calendar

Welcome to the WE Kids Wednesday nights! We break away from our Sunday routine into a more game and small-group oriented midweek offering. Wednesday classes dive more deeply into specific faith topics and help our kids grow socially. Wednesday nights are PERFECT for inviting friends! Both classes are friendly for those just getting to know who God is and help kids move toward a saving relationship with Jesus.

New for this school year, both the Bible Project and Submerge will meet weekly!

The 3rd Bible Project

- **For:** 3rd Graders
- **Purpose:** To give kids their first introduction to God's Word, teach them how to navigate through it, and help them fall in love with God and His BIG story about winning our hearts.
- **Approach:** Using "TeachSundaySchool's Mighty Messages" and our own curriculum, we'll spend time learning about the Bible in general, finding out unusual facts, discovering how it got put together. And we'll also dive into many of the key stories and meet many of the famous people who helped live out God's plan.
- **Required materials:** All students will receive a free copy of the NIV Adventure Bible, and will be asked to bring it with them weekly. There is no cost for this class.
- **Lead by:** WE Kids Director, Krista Larson

SUBMERGE

- **For:** 4th & 5th Graders
- **Purpose:** To dive deeper into our faith by discovering how God's Word leads us through various social settings and situations. We'll cover topics like honesty, anxiety, peer pressure, bullying, and doubt.
- **Approach:** Submerge uses Lifeway's Hyfi curriculum, showcasing interactive video lessons, intuitive games, and powerful discussion questions geared specifically to 4th/5th grade ages. Students start in a large-group setting and move into small groups by age and gender for a more conversation.
- **Required materials:** Students should bring their Bible weekly. Our preferred bible version is the NIV. Students who don't have their own Bible will be presented with an Adventure Bible at no cost.
- **Lead by:** WE Kids Pastor, Jason Kennedy
