

THE WATER'S EDGE CHURCH

WINTER GUIDE 2026

FIND YOUR PLACE TO
CONNECT, GROW, AND SERVE

A LETTER FROM THE PASTORS

Dear Water's Edge Family,

The start of a new year is a great time to try something new – whether that's joining a group, becoming part of a team, or forming a new habit. As we begin 2026 together, we invite you to think about what new thing God might want to do in your life. The mission at The Water's Edge is to lead people into a growing relationship with Jesus Christ and each other. This guide is meant to help you take your **next best step toward** Jesus and others.

This guide is full of classes, groups, programs, and events that exist for exactly that purpose. Some ministries are brand new. Others are expanding so more people can get connected. Whether you've been here for years or this is your first season at The Water's Edge, now is a great time to find a place where you can grow spiritually and build meaningful relationships.

Inside you'll find opportunities to study the Bible, learn about parenting, play cornhole, travel abroad, and more. There are programs for kids and youth to learn about Jesus and experience church as a place they love. You'll also see opportunities to serve—both inside the church and out in our community—because we look most like Jesus when we serve.

We encourage you to take a few moments to look through what's offered from January through May. Pray and ask God, "What's my next step?" Maybe it's joining a group, signing your kids up for a program, inviting a friend, or saying yes to a new serving role. Whatever it is, there is a place for you here this season at The Water's Edge.

"What's my next step?"

In Christ,
Pastors Craig and Leandra
